

Minutes of the meeting of
East Tuddenham Parish Council
Held on 23rd September 2008
In The Village Hall

Present: Mrs. Hickling, the full Council, several members of the public and the clerk.

This meeting was held solely to respond to Breckland Council regarding the make up of the boundary settlement of East Tuddenham under the new Local Development Framework.

Mrs. Hickling explained that the District Council, had, in the early 1990s altered the village building envelope without any consultation and now the Parish Council was being given the opportunity to alter the existing guidelines.

After a full discussion including views that this would not necessarily mean that the Council would like to see more large scale development in the Village, it was decided to write to Breckland Council stating that the Parish Council would like the two sites (026)003 in Common Road and (026)004 in Mattishall Road reinstated and site no.(026)006 adjacent to the Village Hall be added for the provision of low cost housing.
