1. The minutes of the meeting held on 11th February were approved and duly signed.

2. **Matters arising from those minutes**

- There are no new updates regarding the A47 improvements.
- The overgrown hedge on either side of the Common Road T Junction onto Barnham Broom Road has been cut. The drain on the Church footpath has been partially cleared by CB who kindly tried to help this issue but it still needs properly clearing by the Highway Rangers. CC will chase this. A new job that requires attention in the village is the potholes on Church Lane between Traps Lane and the A47. It will be suggested for Highways to check the whole of Church Lane.

There has been some fly tipping on Hall Lane past Church Farm.

- The defibrillator has been installed at the Village Hall and registered with the ambulance service. If a 999 call results in a need to use the defibrillator then a code will be given to use on the machine. CB has not yet heard from First Aid responder that delivers training to Mattishall Parish Council about dates for East Tuddenham. An alternative option would be to contact St John's Ambulance but CB will chase him one last time.
- There are currently no further updates on obtaining a survey template from Flagship/Brown & Co to issue to parishioners to prove the need for affordable housing, or regarding a meeting that is due to take place between them.
- There is no further news on getting a dog waste bin on Common Road at the bend outside Mock Beggar Hall. IP will chase.
- IP has not received a reply from Highways to see what can be changed about the lay-by on the main Mattishall Road near the Barnham Broom Crossroads to try and stop the issue of fly-tipping. There is still fly-tipping taking place. IP will chase.
- There has been a suggestion raised by the PC to replace the slide at the Children's Play Area as it holds water at the bottom. IP will put this suggestion to the Village Hall for their consideration.
- A request has been made to Highways for a sign on the Barnham Broom Road to signal an upcoming road to the right for Common Road. There has been no reply to this as yet.

3. **Finance:**

- Cheque signing took place for the following cheques:
 - Begley Electrical - £75.00 – installation of the defibrillator
- Parish Council funds stand at - £5,716.48
- IP will complete the S106 form to apply to funds held by Breckland which can be used for projects in the area. It was suggested to apply for this and to try and obtain funds to fence the Children's play area.

4. **Planning:**

- 3PL/2019/0117/F - Water Lilies Rotten Row, East Tuddenham - Change existing mobile home for larger mobile home – The deadline for comment passed on the 5th March. The PC had no objections
